📊 Data Analysis Agent

This is a Streamlit-based AI-powered data analysis app.

🚀 Features

- Upload CSV/TSV files
- Data preview and summary
- Missing value analysis
- Visualizations
- AI-based Q&A

🛠️ How to Run

1. Install dependencies:

pip install -r requirements.txt

2. Run the app:

streamlit run app.py

🔑 API Key (Optional)

Set your OpenAI API key:

OPENAI_API_KEY=your_api_key

If not set, AI feature will not work.
